Theophilus Nenhanga

I am a driven 3rd year university student eager to enter the professional world of computer science. I seek to eventually become a game developer. I am eager to reaffirm my knowledge and grow my knowledge base.

Projects I have Worked On:

- Text Based Adventure Game (Python)
- Simple BMI Calculator (HTML + CSS + JavaScript)
- Varous Web Projects (HTML + Flask)
- Text Based Adventure Game (Java)

May 2021 - Present

B. Sc Computer Science
University of Sakatchewan

- Creative
- Goal Oriented
- Problem Solver
- Hungry to learn
